

# Welcome

## Randwick Botany Little Athletics 2021-2022 season

### A message from the Committee

Congratulations to all who competed at Zone last week. The results were amazing – we are so proud of you and all your hard effort. Special thanks to Kelly and Mario for keeping an eye on the troops and thanks to all the parents who helped throughout the day on various events. And to Ant who spend a very hot day at the triple jump.

Last week at the track started with a warm-up led by Cameron which was well received by not only the athletes but also by the parents. We at the shed have seen an increase of injuries over the last couple of weeks so we will be implementing a warm-up session at the start of every Saturday morning starting at 8.30am.

The committee would like to thank every parent/guardian who attended last weekend. You may be wondering why we have a photo above of an empty stand – this was empty as every parent pitched in and helped in so many wonderful ways.

It ensured the day ran smoothly and helped us finished all events without any problems or issues. We appreciate your help - not only for last weekend but thank you to those who pitch in every single week. We are a small committee and need all the help we can get sometimes.

We will be without our fearless President this weekend so Sam, Bernie and Cam will be running the program. We will be back to our normal schedule – weather permitting. We will keep an eye on the radar and if the day needs to be cancelled thanks to Mother Nature we will post on social media around 8am.

See you at the track

### Dates to remember

Region is set for 19th and 20th of February.

Please see Anthony if you have any questions regarding registering for zone or regionals.
