

Welcome

Randwick Botany Little Athletics 2021-2022 season

A message from the Committee

The regionals are being held this weekend and we wish all the athletes competing the best of luck. We know that you will do us proud.

Big thank you to the parents who have offered assistance while out at the track. If you take any photos and you are happy to share please send them through. They will look amazing in the annual report!

The committee will be at the track in the morning to run a program for those not competing and we look forward to seeing you there.

Up-to-date results will be published on the website on Monday evening. The website has been having a moment and will not allow for publishing.

There is approx 5 more weeks left of this season and the committee would like to give a shout out to all those parents that have helped throughout the year. It may have been picking up a rake, measuring long jump results or helping to put away equipment - you have helped make this season a great one. Also a HUGE thank you to the age marshalls and to those parents who step up when the age marshall as been unwell. We appreciate you so much.

A reminder to all parents and guardians: We are all here volunteering our time for the enjoyment and education of our kids. If you have any questions about a placing or a ruling please speak to the age marshall in charge of the age group or come and speak to a member of the committee. Abuse towards children and adults will not be tolerated and you may be asked to leave the grounds.

We have been contacted by the council to remind you all that dogs are NOT allowed at the track anytime of the day. Can you please leave your 4 legged cuties at home to avoid us getting a fine.
